Melissa Nuss,	Josh Nuss	

To Join the Hodgeman County Fair Association, Contact the Hodgeman County Extension Office at 620-357-8321.

In Appreciation...

We, the Hodgeman County Fair Association and Board of Directors, wish to take this opportunity to say “THANKS” to the people of Hodgeman County and the area for your generous support.

We are extremely grateful to those businesses who have sponsored this fair book with their advertisements. Without them the book would not be possible. The funds raised through various sponsorships help provide entertainment, evening activities, ribbons, printing expenses, judges expenses and premiums for our fair. We appreciate their help, and you can also help by supporting those who help sponsor this book.

The fair board is excited about the county fair and wants it to be a focal point for our community and a celebration that involves our entire county. Please plan to participate as an exhibitor or a spectator. The county fair is the “show window” of all 4-H Club work, and other Hodgeman County residents. It provides an opportunity for all to exhibit their best work and to compare their efforts with others.

We want to extend this invitation to you to visit the Hodgeman County Fair. As you view the handiwork of the club members and individuals, keep in mind that this opportunity was made possible by people like yourself.

Again, THANK YOU for your excellent cooperation and support of the Hodgeman County Fair.

Superintendent Duties

Read and be familiar with all General Rules and Regulations concerning the County Fair. Read and become familiar with all Special Rules concerning your Division. Develop a work schedule for your Division and contact committee members and others to assure all responsibilities are covered. If additional help is needed the Division Superintendent may contact the Fair Association, or the Hodgeman County Extension Office for additional resources.

Carry out the following duties:

Check-In: Be present to accept exhibits. **NOTE:** There are two check-in times for many exhibit areas: Monday and Wednesday. This year all entries will be put online. If not pre entered, open class must be added at the Fair before accepting the entry. There will be someone to help enter exhibits. Show exhibitors where to place exhibits.

Before Judging: Be present at least 30 minutes before the judging begins to greet the judge(s), review division rules, placing systems, awards to be chosen, etc. with the judge(s).

During Judging: Assist the judge(s) during the judging of exhibits, answering questions, but not conversing with the judge about an exhibit. When possible have a committee member assigned to each judge to record written comments on the back of the exhibitor's entry form. **Do not let people other than the contestant speak with the judge while judging is taking place, unless the judge prefers to talk with the group during judging.** Check with the judge. Assist exhibitors in preparing for judges, including lining up livestock for the show ring. **If 4-Hers have conflicts, stress flexibility and assist the 4-H exhibitor by planning to work them in when possible.**

Selection of Champions: Review with the judge(s), which exhibits are eligible for Champions and other honors and encourage the judge(s) to select award winners for all available rewards.

Selection of Grand Champion and Reserve Grand Champions: After selection of the Grand Champion has been made, the project exhibit which stands, as Reserve Champion to the now named Grand Champion will move up and compete against the remaining Champions for Reserve Grand Champion.

After Judging: Encourage each judge to complete all forms and record the judge's comments and ideas. Record all award winners and return all entry form copies & supplies to the fair office. Arrange exhibits for attractive display. Place stickers and identification cards on the exhibit. Supervise the Division exhibit area and keep it neat and clean throughout the fair.

It is the responsibility of the division superintendent to make sure any or all rules, regulations or requirements are followed. Each Division is strongly encouraged to make suggestions for improvements to be reviewed after the fair. **Please notify the Extension Office and/or the Hodgeman County Fair Association if you are unable to serve as a Superintendent.**

Parents & Volunteer Code of Conduct

These statements represent a code of ethics which all parents, volunteers, and paid staff are expected to observe.

As a Kansas 4-H Parent or Volunteer, I will:

1. Treat youth with respect, caring, and acceptance. Know that all young people have skills and talents which can be used to help others and improve their community.
2. Provide a safe environment. Do not harm youth or adults in any way, whether through sexual harassment, physical force, verbal or mental abuse, neglect, or other harmful experiences.
3. Not use alcohol or any illegal substances (or be under its influences) while working with or being responsible for youth, or allow youth to do so while in my presence.
4. Role-model the character traits of: trustworthiness, respect, responsibility, fairness, caring, and citizenship. Model the core values of K-State Research and Extension: **INTEGRITY**, to develop and deliver credible information; **COMMUNICATION**, to provide common understanding; **SCHOLARSHIP**, to foster life long learning; **LEADERSHIP**, to serve as an agent of change; **INCLUSION**, to foster active participation by all.
5. Promote and practice the responsible and ethical stewardship of 4-H projects including livestock and companion animals.
6. Obey the laws of the locality, state and nation.
7. Work as a "team player" for the good of the 4-H Program. Work cooperatively with youth, volunteers, other parents and extension staff and treat them with respect.
8. Applaud for your children, your friend's children, your favorite clubs or groups, and others to express appreciation and admiration.
9. Do not boo, heckle, make disparaging remarks, or make insulting comments about or to anyone – including competitors from rival clubs or groups, and program officials and organizers.
10. Listen, act interested, and be quiet when participants are introduced, when program officials are talking or making announcements, and when other comments are being addressed to the audience.
11. Remain until the end of the event or the class you are observing, or until program organizers indicate it is appropriate for spectators to depart. **Do not get up and leave the minute your child leaves the show ring or stage.**
12. Encourage your child to politely ask questions if he/she has them, express concerns he/she may have, and make helpful suggestions to program officials and organizers.
13. Congratulate the winners after the program.
14. If you have questions, concerns, or suggestions, be polite in expressing them. **Criticize in private, and compliment in public.**
15. Be considerate of the time that program officials have to spend with you, and of their other responsibilities. Schedule an appointment if you need more time than they have to spend with you at the program. Submit your compliments, concerns, and suggestions in writing, with your signature.
16. Show courtesy toward others. For example:
 - a. Do not set or stand in aisles.
 - b. Do not jump up and block the view of those behind you in moments of high excitement.
 - c. Do not block other people's views when taking pictures or videos.
 - d. Leave the chairs and bleachers where you find them.
 - e. Throw away litter. Do not leave programs, drinking cups, or other trash for someone else to clean up.
17. Teach your child sportsmanship. Require him/her to demonstrate sportsmanship before, during, and following competitive activities.
18. Enjoy the program, and accept our appreciation for setting a good example for today's youth.

The Girl Scout Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the
Girl Scout Law.

The Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better
place, and be a sister to
every Girl Scout.

4-H Mission

Prepare youth to meet the challenges of childhood, adolescence and adulthood, through a coordinated, long-term, progressive series of educational experiences that enhance life skills and develop social, emotional, physical and cognitive competencies.

KANSAS 4-H MISSION –

With unique strategies and opportunities, Kansas 4-H Youth Development engages youth in reaching their full potential through partnerships with caring adults.

4-H Pledge

I Pledge

My **HEAD** to clearer thinking,
My **HEART** to greater loyalty,
My **HANDS** to larger service,
My **HEALTH** to better living, for my club,
My community, my country and my world.

4-H Motto

To make the Best, Better.

4-H Creed

I believe in 4-H for the opportunity it will give me to become a useful citizen.

I believe in the training of my head for the power it will give me to think, to plan and to reason.

I believe in the training of my heart for the nobleness it will give me to become kind, sympathetic and true.

I believe in the training of my hands for the dignity it will give me to become useful, helpful and skillful.

I believe in the training of my health for the strength it will give me to enjoy life, resist disease and work efficiently.

I believe in my country, my state and my community for their development.

In all these things I believe, and I am willing to dedicate my service to their fulfillment.

KANSAS 4-H LIFE SKILLS

4-H club work is a major and important part of the Cooperative Extension Service. The primary aim of the 4-H program is to provide opportunities to build life skills. These life skills are:

Healthy Interpersonal Relationships-Getting along with others and interacting with people of all ages.

Sound Decision Making-Making choices based on applying what is known in a productive way.

A Positive Self Concept-Believing youth are capable and can be successful.

An Inquiring Mind-Asking questions and knowing how to obtain information

Concern for the Community-Becoming aware of and working towards improving one's community

4-H Emblem Mission Statement

The 4-H Divisions included in this book are designed as an educational experience for the youth involved.

In 4-H, youth learn by doing. Much of the learning happens through project experiences. The County Fair provides an opportunity for youth to display and tell about what they have achieved in their project(s) during the past year. A judge is hired to offer advice and constructive criticism on these achievements.

Participation in the County Fair teaches youth the importance of sportsmanship. Sportsmanship may be defined as conduct becoming to an individual involving fair and honest competition, courteous relations and graceful acceptance of results. To become contributing, competent, caring, and capable adults, youth must develop sportsmanship.

Through 4-H, youth learn skills that will last a lifetime. They gain:

A positive self concept.

An inquiring mind.

A concern for the community.

Healthy interpersonal relationships.

Sound decision making.

Each young person who has the dedication, courage, and willingness to enter a project in the County Fair is a winner at heart. Because youth are our future, the County Fair highlights their successes and salutes each youth participant!

Boy Scout Mission Statement

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

Boy Scout Oath

On my honor I will do my best
To do my duty to God and my country
and to obey the Scout Law;
To help other people at all times;
To keep myself physically strong,
mentally awake, and morally straight.

Boy Scout Law

A Scout is:

Trustworthy	Loyal	Helpful	Friendly
Courteous	Kind	Obedient	Cheerful
Thrifty	Brave	Clean	Reverent

Boy Scout Vision Statement

The Boy Scouts of America will prepare every eligible youth in America to become a responsible, participating citizen and leader who is guided by the Scout Oath and Law.

FFA Mission

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

FFA Motto

Learning to Do
Doing to Learn
Earning to Live
Living to Serve

FFA Creed

I believe in the future of agriculture, with a faith born not of words but of deeds — achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which even in hours of discouragement I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skills as I can secure, and in the ability of progressive agriculturists to serve our own public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so — for others as well as myself; in less need of charity and more of it when needed; in being happy myself and playing square with those whose happiness depends on me.

I believe that rural America can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

GENERAL INFORMATION

Judges' Decisions will be final.

1. All entries will be held until 8:00 p.m. Tuesday night, except horses.
2. All exhibitors will be responsible for their own animals Friday thru Tuesday nights.
3. All entries will be under the care and control of the Fair Association, and while due care and caution will be exercised for their safe keeping, neither the Association, its officers, agents or employees will be responsible in case of loss, injury, or damage that may occur. The Association will not be responsible for loss or theft of personal property on the grounds.
4. No animal, article or product not listed in this Fair Book will be eligible to compete for prizes unless approved by proper officials.
5. For any division listed in this book, if there is a 4-H Class, there may also be an Open Class. See a Fair Superintendent or Fair Board member if you want to enter an exhibit in an open class division not listed, but offered in the 4-H Division.
6. Hodgeman County exhibitors (individual or group, 4-H or Open Class) should avoid using copyrighted materials whenever possible by originating his/her own work. An individual or group should use with caution, a copyrighted and/or trademarked product or service (a brand name, label or product.)
7. All complaints about eligibility of exhibits must be submitted in writing to the Fair Board, before the exhibit is judged. Complaint must be signed by complainer. Complaints received after judging will be taken into consideration when writing next years' fair rules.
8. At the close of the fair, all exhibits must be claimed at once by the exhibitor or by the parties representing the exhibitor. Those in charge will assume no responsibility for exhibits left on the Fairgrounds after 9:00 p.m., Tuesday.
9. All entries must be made in the name of the owner, as registered.
- 10. No intoxicating beverages will be permitted to be consumed or possessed in any exhibit or livestock buildings. The Fair Board reserves the right to withhold payment of premiums to violators. Only beer permitted in the area Reserved for the Beer Garden.**
11. Under Kansas Law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risks of domestic animal activities, pursuant to K.S.A. Section 1 through 4 of KSA 60-208. You are assuming the risk by participating in this domestic animal activity. Inherent risk of domestic animal activities include but shall not be limited to:
 - A) The propensity of a domestic animal to behave in ways ex.- running, bucking, biting, kicking, shying, stumbling, rearing, falling or stepping on-that may result in an injury, harm or death to persons on or around them;
 - B) The unpredictability of a domestic animal's reaction to such things as sounds, sudden movement and unfamiliar objects, persons or other animals;
 - C) Certain hazards such as surface and subsurface conditions;
 - D) Collisions with other domestic animals or objects; and
 - E) The potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to maintain control over the domestic animal or not acting within such participant's ability.
12. If any damage, loss of property or injuries, caused by reason of neglect or willful act of any persons, firm, corporation, their agents or representatives, servants or employees having license privileges to exhibit on said Fairgrounds or occupying space thereon, the Hodgeman County Fair Association shall not, in any manner, be responsible therefore and, in case it be subjected to any expense or liability all persons causing same or liable therefore, shall indemnify the Hodgeman County Fair Association at Jetmore, Kansas.
13. The management reserves the right to remove from the grounds any exhibit, animal, concession or show that may be falsely entered or may have any sign, banner or advertising matter of any kind which may be deemed unsuitable or objectionable by them without assigning a reason therefore, and if necessary, return money already paid for space or stalls which shall exonerate them from any claim whatsoever on the part of the exhibitor or purchaser.

14. Failure to comply with any rule in this book will result in disqualification of that project per Fair Association Board discretion.
15. Management is not responsible for accidents, fire or theft of exhibits or injuries to persons. **Exhibits will be displayed at the owner's risk.** All exhibitors must sign a release of liability form prior to fair.
16. All 4-H market livestock must have been weighed and identified on the county weigh-in dates.
17. A veterinarian will be present for visual health inspection of livestock. The veterinarian will be instructed as to what they need to be checking for. Example: club lamb fungus, contagious diseases, retained testicles and other signs of illness or surgically/mechanically manipulated features.
18. There will be no re-weighs of livestock.
20. If the care of animals is neglected, the exhibitor will forfeit their privilege to sell that animal.
21. Livestock exhibitors **must be on hand to groom, exhibit & sell their entries.** Exceptions to this rule may be allowed where there is health problems, family funeral or accident, or the club member has two (2) or more entries in a class and then **ONLY IF SHOWN BY ANOTHER HODGEMAN COUNTY RESIDENT.**
22. Educational exhibits--share with others what you learn in this project. If it is a poster, it must not be larger than 22" x 28". Take care to select durable materials that will withstand Fair conditions. Total display space must be no more than 2.5' deep and 4' wide. No card table exhibits allowed. Educational Exhibits will be designated with the following letters N-notebook, P-poster, D-display, or V-video.

Under KS law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risk of domestic animal activities pursuant to Section 1 through 4 of KSA 60-208. You are assuming the risk of participating in this domestic animal activity.

Code of Show Ring Ethics

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to 4-H as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations, which they impose, on the local, county, state, provincial and national levels. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics could forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. (Adopted from the International Association of Fairs & Expositions, IAFE)

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. All exhibitors under the age of 18 are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals presented to show events where they will enter the food chain may not have volatile drug residues. The act of entering an animal in a livestock show is the giving of Consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices, such as striking animals to cause swelling, using electrical contrivance, or other similar practices, are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

*Monday, July 19, 5:00 p.m.***

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further consent that any action, which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Animal Care: All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as Hodgeman County Fair does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof.

Barred Exhibitors: The Hodgeman County Fair Association reserves the right to refuse entry of any exhibitor who has been barred from any other show on the basis of unethical practices.

All Livestock: All market animals and bucket calves must be castrated and be healed and all animals must be free of infectious lesions and congenital defects. All animals must be of suitable health and quality to be exhibited to the public. The Fair Executive Board reserves the right to dismiss any animal from the grounds that does not meet these requirements. Any costs of special tests, or posting of dead animals will be the responsibility of the owners. Any animal which dies on the fairgrounds may have a necropsy performed by the Fair Veterinarian at the owners expense.

Superintendents reserve the right to call for an inspection of an animal or animals by the Fair Veterinarian. Any medication given orally, subcutaneous, or intravenously must be given under the Fair Veterinarian's supervision. Any drenching must also be done under the Fair Veterinarian's approval.

Veterinarian. Any medication given orally, subcutaneous, or intravenously must be given under the Fair Veterinarian's supervision. Any drenching must also be done under the Fair Veterinarian's approval.

RULES GOVERNING ENTRIES AND PREMIUMS

1. A superintendent and/or Fair Board member has the authority to immediately disqualify any unruly animal.
2. All animals and articles exhibited for premiums must be entered in superintendent's book in the proper department and number mentioned in this fair book.
3. No premium awarded unless animal or article is worthy.
4. Any animal carrying a disease or suspected of carrying a disease may be refused admittance to the grounds.
5. No award made for "Champion" when there are less than three entries in the phase, except when the judge feels the exhibits are of champion quality.
6. When there is no competition, articles will be awarded the first prize, second prize, or none subject to the decision of the judge.
7. No special prize will be solicited or awarded to entries in any department, unless authorized by the county Fair Board.
8. The Board of Directors of the Hodgeman County Fair Association reserves the sole and absolute right to construe its own rules and regulations and to determine arbitrarily all matters of differences in regard thereto.

OPEN CLASS RULES

1. **NO ENTRY FEE WILL BE CHARGED FOR OPEN CLASS.**
2. A CHAMPION RIBBONS WILL BE GIVEN WHERE IT IS APPROPRIATE TO THE OVERALL SELECTED CHAMPIONS.
3. Entries must be produced by the exhibitor since the previous years fair. Articles previously entered in a Hodgeman County Fair are ineligible, except in Special Classes.
4. Any resident of Hodgeman County or Former resident of Hodgeman County may exhibit in the open class division at the Hodgeman County Fair. The Hodgeman County Fair is NOT a fair in which an item may qualify for the Kansas State Fair. To exhibit at the Kansas State Fair one must be a Kansas resident and pre-enter. See www.KansasStateFair.com for the State Fair entry dates, rules and requirements.
5. Open Class designations: General Open, Clover Bud=future 4-Hers 6 and under, Youth=7-18, Adult=19-64, Senior Adult=65 and older. Age is determined as of January 1 of current year.
6. Read General Information

Under KS law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risk of domestic animal activities pursuant to Section 1 trough 4 of KSA 60-208. You are assuming the risk of participating in this domestic animal activity.

OPEN LIVESTOCK

2022 RECOMMENDED REQUIREMENTS FOR KANSAS COUNTY FAIRS

GENERAL REQUIREMENTS

- All animals are subject to examination by the exhibition staff or their representatives and shall be free of clinical signs of infectious or contagious disease.
- Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit.

1. **Certificate Of Veterinary Inspection (Health Certificate)**

o **Kansas Origin Livestock** – Certificate of Veterinary Inspection is not required by Kansas Department of Agriculture – Division of Animal Health (KDA-DAH), but can be required at the discretion of each exhibition event.

o **Livestock Originating From Other States** – All livestock originating outside of Kansas must meet Kansas import requirements and must have a valid Certificate of Veterinary Inspection.

CATTLE (BEEF, DAIRY) AND BISON

1. All cattle and bison must meet the General Requirements.
2. Cattle determined by exhibition staff to have lesions of ringworm, warts or infested with mange will not be permitted to exhibit.
3. Cattle Originating From Other States
 - o All cattle must have official ID, and ID must be individually listed on the accompanying CVI.

GOATS

1. In addition to the General Requirements, all goats must be:
 - o Identified with a registered tattoo or an official USDA premises ID tag (Scrapie tag.) Goats identified with registration tattoos must have legible tattoos and must have registration papers for these animals available for inspection.
 - o Free of any signs of sore mouth.
 - o Free of clinical signs of active fungal (ringworm) infection.
2. Goats Originating From Other States
 - o All goats must have official ID, and ID must be individually listed on the accompanying CVI.

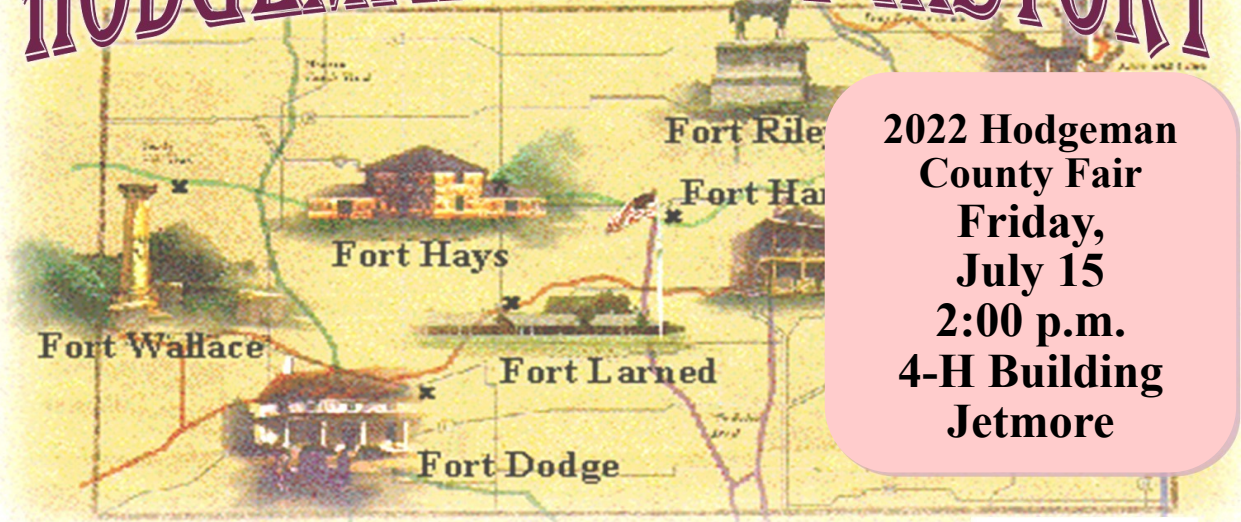

HORSES

1. All horses must meet the General Requirements.
2. A comprehensive vaccination protocol is recommended, but not required by KDAH.
3. **Kansas Origin Horses** – A valid VS Form 10-11 showing evidence of a negative Equine Infectious Anemia (Coggins) test conducted by a state-approved laboratory within 12 months prior to exhibition is recommended, but not required by KDAH.
4. **Horses Originating From Other States** must be accompanied by a valid VS Form 10-11 showing evidence of a negative Equine Infectious Anemia (Coggins) test conducted by a state-approved laboratory within 12 months prior to entry into Kansas. Foals six months of age and younger, accompanying their EIA-negative dams, are exempt from EIA test requirements.

POULTRY

1. All poultry must meet the General Requirements.
2. Kansas Origin Poultry -
 - o Kansas continues its designation as a Pullorum-Typhoid (P-T) Clean state.
 - o All poultry (except waterfowl) are required to show proof of being P-T clean by one of the following:
 - Originate from a certified U.S. Pullorum-Typhoid clean flock
 - Test negative on a P-T test within 90 days of exhibition

HODGEMAN COUNTY HISTORY

**2022 Hodgeman
County Fair
Friday,
July 15
2:00 p.m.
4-H Building
Jetmore**

The public is invited to experience a look back at our rich, local history. John Ewy of the Hahn Museum will share interesting facts of early Hodgeman County.

The Grey Goat Quilt Company, 515 Main Street, Jetmore, Kansas 67854
[620.357.3525](tel:620.357.3525) or [\(620\) 855-0184](tel:620.855.0184) Hours: By Appointment

Owner- Janet Woods

Service Technician- Leslie Woods Office Manager- Scharlene Mix

The Grey Goat Quilt Company is a full service quilting store. We make custom quilts and T-shirt quilts. Quilting classes, Block of the Month, and other classes are also available.

We are now a Certified Sewing Machine Repair location. All makes and models from A-Z, old or new. We now offer scissor sharpening.

POULTRY, continued

3. **Poultry Originating From Other States** – All poultry entering Kansas, except waterfowl, must show proof that they are pullorum – typhoid clean by one of the following methods:
- o All poultry (except waterfowl) are required to show proof of being P-T clean by one of the following:
 - Originate from a certified U.S. Pullorum-Typhoid clean flock
 - Test negative on a P-T test within 90 days of exhibition
 - o Additionally, out-of-state poultry must have a "Permit to Ship Poultry or Hatching Eggs" issued by the KDAH within the previous year or a permit number issued by the KDAH office within the previous 15 days.

RABBITS

1. All rabbits must meet the General Requirements.
2. **Rabbits Originating from other States** - All rabbits originating outside of Kansas must meet Kansas import requirements and must have a valid Certificate of Veterinary Inspection.

SHEEP

1. In addition to the General Requirements, all sheep must be:
 - o Identified with a registered tattoo or an official USDA premises ID tag (Scrapie tag.)
 - o Free of any signs of sore mouth.
 - o Free of clinical signs of active fungal (ringworm) infection, including club lamb fungus.
 - Sheep Originating From Other States
 - o All sheep must have official ID, and ID must be individually listed on the accompanying CVI.

SWINE

1. All swine must meet the General Requirements.
2. **Swine Originating From Other States** must also meet one of the following:
 - o All swine must have official ID, and ID must be individually listed on the accompanying CVI.
 - o All swine must obtain an import permit number prior to movement into Kansas.

GENERAL HEALTH REQUIREMENTS

1. There will be a veterinarian present to certify the health of all incoming animals. They must be inspected before they are unloaded. If animals are brought in the night before, all animals, except steers, must be accompanied by an official certificate of veterinary inspection issued within 30 days of exhibit and must be available, upon request, to the officials of the Animal Health Department.
2. All animals, including steers, need to be individually identified by a tattoo, metal ear tag, registration number, or breed association ear notch for swine. This includes bull bucket calves and heifer bucket calves. Steer bucket calves are excluded.
3. Animals with active lesions of ringworm, multiple warts visible without close examination, or infested with mange, as determined by officials of the Kansas Animal Health Department, will not be permitted to exhibit.
4. All tests must be conducted in a state-approved laboratory.

Poultry & Rabbits

POULTRY

The Kansas Poultry Disease Act (effective Jan. 1 1985 requires that owners of all poultry (except waterfowl), show proof that the bird(s) are free from pullorum-typhoid diseases before entering them for public exhibit. Three methods are available for meeting this requirement:

1. Clean flock-owners' name must appear on the official state list of Pullorum-Typhoid Clean Flock or the owners must present an official VS Form 9-3 (Flock-Selection and Testing Report) or a VS Form 9-3 (sales of hatching eggs, chicks, and poults.)
2. Test prior to show-owner must present an official VS Form 9-3 signed by an official blood testing agent. Test must be completed within 90 days prior to the show.
3. From clean source-owner must present evidence, such as a sales slip or name of hatchery, that entries were purchased from a pullorum-typhoid clean source and that entries are from the only stock on the premises or the flock has been physically separated from other flock(s) on the premises. NOTE: If you plan to exhibit at the State Fair, your poultry and rabbits must be P-T tested.
4. Review General Information.
5. All poultry must be banded to insure proper identification at the fair.
6. All birds will be examined at the fairgrounds and any evidence of disease will cause the entry to be refused.
7. All poultry except waterfowl and pigeons must be blood-tested for pullorum-typhoid disease within 60 days of the fair. Testing will be done on two different days before entry deadline. A small per bird testing fee will be charged and a certificate will be issued for birds with negative results. Any entry testing positive will not be allowed to enter. Contact the Extension Office for scheduled testing dates.
8. Exhibitors are expected to bring their own feed and take care of birds during the fair.
9. Include breed and band number on pre-entry form.
10. Age classes for Poultry are:
 - a. Young birds/pens less than one year old.
 - b. Old birds/pens are older than one year at the time of the fair.
11. Pen of Three-3 Hens or 3 Pullets of the same breed.
12. Open Class exhibitors may need to show them in a carrier (bring day of judging if there is not enough pen space.

238: Chicken

Class

- 2470 - Standard Breeds, large fowl, young pen, 1 bird of either sex.
- 2471 - Standard Breeds, large fowl, old pen, 1 bird of either sex.
- 2472 - Standard Breeds, Bantams, young pen, 1 bird of either sex
- 2473 - Standard Breeds, Bantams, old pen, 1 bird of either sex
- 2474 - Production Pullets, pen, 3 standard bred, crossbred or strain cross pullets to be judged on egg production qualities only.
- 2475 - Production Hens, pen 3 standard bred, crossbred or strain cross hens to be judged on egg production qualities only.
- 2476 - Dual-purpose Pullets, such as Rhode Island Reds, New Hampshire, Plymouth Rocks, etc.
- 2477 - Dual-purpose Hens, such as Rhode Island Reds, New Hampshire, Plymouth Rocks, etc.

239: Meat Chicken

- 2478 - Meat-type chickens, pen 3 standard bred, crossbred or strain cross birds of the same sex to be judged on meat production qualities only.

240: Ducks

Class

- 2479 - Ducks, all breeds, all ages, 1 bird of either sex.
- 2480- Ducks, Call or Bantam breeds, all ages, 1 bird of either sex.

The Hodgeman County Fair Presents

www.hodgeman.k-state.edu / [facebook.com/](https://www.facebook.com/)

K-State Research and Extension is an equal opportunity employer and provider

POULTRY, continued

241: Meat Ducks

2481: Meat Pen of Duck Broilers (pen of three, must be same breed, and follow guidelines in the "Growing Broilers for State Fair" publication)

242: Other Fowl

Class #

2482: Turkeys, all breeds, pen, 1 bird of either sex.

2483: Geese, all breeds, pen, 1 bird of either sex.

2484: Other fowl, 1 bird of either sex.

RABBITS

1. Read GENERAL INFORMATION.
2. Each member will furnish his own feed and watering cup. A pen will be provided.
3. A pen consists of one rabbit in the following classifications.
4. All rabbits will be divided into age classes (pre-junior, junior, 6-8 months, and senior) and judged according to their breed standard as listed in the ARBA (American Rabbit Breeders Association) "Standard of Perfection". Only breeds recognized by ARBA may be shown.
5. When pre-entering, list sex, breed, variety and readable tattoo numbers in the rabbit's left ear on the rabbit entry form.
6. Same class, same variety and same breed substitution may be made after entered except showmanship and fur.
7. Each rabbit entered in any class is required to have a legible permanent tattoo in left ear, if not, entry will be eliminated.
8. Open Class participants may house their rabbits at the fairgrounds providing there are enough pens. The Superintendent will have the authority to require that open class rabbits be shown on a carrier show basis.

243: Rabbit

Class #

2440: Junior Buck (under 6 months of age)

2441: Junior Doe (under 6 months of age)

2442: Intermediate Buck (for 6 classes breeds)

2443: Intermediate Doe (for 6 classes breeds)

2444: Senior Buck (6 months of age and over)

2445: Senior Doe (6 months of age and over)

245: Rabbit Meat

2446: Meat pen-3 rabbits, all one recognized breed and variety, maximum weight 5 pounds each. Will be judged on their meat qualities, condition and uniformity.

244: Rabbit Fur

Exhibitor may pick one rabbit from those exhibited, or one from a meat pen, to enter in the fur class. (Only one entry in fur class.) If number and kinds of fur permit, class will be broken down into white and colored fur. This decision is up to the Superintendent and will follow ARBA rules.

Class #

2454: Normal white fur

2455: White Satin fur

2456: White Rex fur

2457: Normal colored fur

2458: Colored Satin fur

2460: Colored Rex fur

2261: Angora wool, White

2262: Angora wool, Colored

BOOTHS & BANNERS

202: Booths & Banners

1. Clubs may enter a booth or a banner but not both.
2. Booths and banners must be in place by 5 p.m. Friday.
3. A 6' x 6' space will be provided for all booth exhibits.
4. Banners must be hung on a rod strong enough to support the banner. On each end of the dowel stick, there should be a wire or chain six inches long. One end of the wire will be fastened to the end of the dowel. Please attach a S hook on a rod and rope or hanging wire, strong enough to support the banner.
5. Banners are to be minimum of 3' x 4' and maximum of 3' x 5'.
6. Banners should be made of flame resistant materials that permit the banner to be folded or rolled without damaging the display. Three dimensional objects should not be attached to the front of the banner.
7. A label is to be attached to the front lower left-hand corner of the banner giving the name of the club and the county. Waterproof inks prevent smearing and are recommended for the label. Letters should be two inches in height.
8. The following points will be considered in judging of booths and banners: educational value, interest and originality, appearance, and quality of display material.

Banner Evaluation (banner size - minimum of 3' x 4' and maximum of 3' x 5')

1. Educational		40%
a. Presents suggestion or striking facts that are simple in form and quickly grasped, or		
b. Shows extent to which group involvement meets a fundamental need, or		
c. Promotes decision and action or central theme.		
2. Interest and Originality		20%
a. Original creation.		
b. Holds interest of people until they have read or observed essentials of the message.		
c. Defines clearly one central idea.		
3. Appearance		20%
a. General appearance, artistic, neat and attractive.		
b. Can be viewed and read at a distance up to 20 feet.		
4. Quality of display material		<u>20%</u>
TOTAL		100%

Booth Evaluation (booth size - 6' x 6')

1. Education value		40%
a. Present suggestions, facts simply		
b. Can promote decisions and actions if benefits and interest of all		
2. Quality of display material		20%
a. Any items used within booth should be designed effectively and work or overall theme of booth should be of good quality.		
b. Letters should be easy to read.		
3. Initiative and Originality		20%
a. Presents ideas clearly.		
b. Clearly defines one central idea.		
4. General appearance and attractiveness		<u>20%</u>
a. Neat and attractive		
b. Title sign on front should be easily seen		
TOTAL		100%

DISPLAYS, NOTEBOOKS, POSTERS & VIDEOS

212: Displays

1. Care should be taken to select durable materials that will withstand fair conditions.
2. Entry tags should be attached to a main part of the display.
3. Scorecard for educational exhibit will be the same as for club banner. Scorecard for project accomplishment display will be based on particular project.
4. No state fair classes for this department.
5. Types of exhibits in this department are open to educational or creative displays, educational posters or notebooks. Take care to select durable materials to withstand fair conditions. **No card tables are allowed.** If the exhibit is a poster it must not be larger than 22" x 28". If the exhibit is a display, maximum size is 3' x 4'.
6. **EXHIBITORS MUST COMPLY WITH STATE AND FEDERAL LAWS.** It is illegal to possess threatened or endangered wildlife or the feathers, nests or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals is prohibited.
7. Display exhibits may include any combination of notebook, poster, picture story, display board, pamphlets, or other audio-visual materials (cassette tapes, VCR tapes, DVD's etc.) Exhibitor is responsible for supplying audio-visual equipment. The Fair Board takes no responsibility for damage or theft of any equipment and/or materials used by the exhibitor.

Scorecard for Displays (3' x 4') will be:

General appearance	20%
Power to attract & hold attention	25%
4-H message told	25%
Unity of message	15%
<u>Materials</u>	<u>15%</u>
TOTAL	100%

8. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd in each area (**Notebooks, Posters, Display, Video**) receiving Champion and Reserve Champion in both open and 4-H according to age divisions. State Fair does not have classes for most of the exhibits in this area.

229: Notebooks

1. See general information.
2. All club officer notebooks should be on display. Records are to be complete up to July.
3. Notebooks will be judged on current year's work only.

Scorecard for notebooks will be:

Introduction	15 %
Content	55 %
Organization (including Table of Contents)	15 %
<u>Summary</u>	<u>15 %</u>
TOTAL	100 %

237: Posters

1. Posters may be made of any color or white background material. Maximum size is to be 22" x 30". Minimum size is to be 8" x 11". Must be able to attach poster to wall for display, do not use items on poster that cannot hang.

Scorecard for poster will be:

Information given or idea expressed	55 %.
Art, design, lettering	40 %
<u>Construction</u>	<u>5 %.</u>
TOTAL	100 %.

257: Videos

Videos/movies must be judged in a projected format. Videos or movies shall be from three to five minutes in length. Sound should follow the story line and should be more than dialog, but sound is not a required feature. In addition, all of the photographic techniques, such as the rule of thirds, composition, framing, etc., will be applied. Titles may used but are not required. Place tape or DVD in a 2 gallon self sealing plastic bag with entry tag. Exhibitor is responsible for supplying audio-visual equipment. The Fair Board takes no responsibility for damage or theft of any equipment and/or materials used by the exhibitor. **NO STATE FAIR CLASS.**

Video entries: Criteria for judging shall include:

1. Evidence of story line	30%
2. Use of camera angles	15%
3. Use of zooming techniques	10%
4. Smoothness of scene changes	10%
5. Story telling. No time or date should be imprinted on the tape or disk	35%
TOTAL	100%

Special 4-H Rules

1. Some 4-H projects do not lend themselves to making a physical exhibit. In these situations, a notebook, poster, videos and/or display is recommended. A 4-H'er may exhibit a physical item and also a notebook, video, display and/or poster in a project area. A 4-H'er may enter several notebooks, posters, video or displays, but not more than one in any class, except Other.
2. A Champion and Reserve Champion (4-H) is picked for the notebook class, poster class and display class in each age division. Educational display (must include a story presentation with display) vs. project display.

ENTOMOLOGY & GEOLOGY

213: ENTOMOLOGY

SPECIAL RULES

1. Review General Information.
2. All entries are to be placed in plexiglass covered (plexiglass required), wooden boxes with outside measurements of 18" x 24" x 3.5"...See the specific phase for box and specimen number limitations. Boxes can be handmade or purchased as long as they are of the correct size and do not have a glass top.
3. Each exhibitor is required to identify each box by placing an identification label bearing exhibitor's name, county and the class. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside).
4. Arrange specimens in the box so it can be displayed lengthwise. (See illustration in revised 4-H Entomology Check Sheet for State Fair competition, 4-H 518).
5. The number of orders, specimens (and families where required) must be included on the exhibitor's box identification label. Only adult specimens can be used in collection boxes.
6. Entomology labels, order labels and pins can be ordered through the County Extension Office.
7. For each collection class, two labels will be entered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label is a date/locality label. "Date" refers to date the specimen was collected and "Locality" refers to County and State where specimen collected.
8. Identification should follow one of two taxonomies: a) as printed in "Insects in Kansas" book or b) as printed in the "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net.
9. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Arrangements that run lengthwise of the box are frequently downgraded in judging. Specimens are to be arranged by Order in the box, then family where required.
10. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality, full county name, state abbreviation and collector name. The specimens should be collected by the exhibitor and should focus on Kansas and neighboring states. Please refer to "Entomology Collection Exhibit Resource" for full details on out-of-state insects in collections.
11. Emphasis in judging will be placed on the overall variety of insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens, and overall arrangement and appearance of the collection. Only specimens of the class Insecta should be included.
12. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
13. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.
14. Displays shall be the standard 3' by 4' tri-fold board.

Class

4722 - Jr. Youth Entomology Beginning Collection -- Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Specimens should be grouped according to *order*. Order labels should be pinned to the base of the box. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon in the beginning phase at the Kansas State Fair, whichever comes first.

4724 - Sr. Youth Entomology Collection -- Display a minimum of 100 and a maximum of 300 insects representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders: orders of Orthoptera, Hemiptera, Odonata, Coleoptera, Diptera, and/or Hymenoptera.

4726 - Adult Entomology Collection - Display a minimum of 150 and a maximum of 450 insects representing at least 12 orders. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. All butterflies appearing in the collection should be labeled with the correct common name.

221: GEOLOGY

SPECIAL RULES

1. Review General Information.
2. Exhibitors may enter in both geology and lapidary classes.
3. All entries will be placed in plexiglass covered wooden boxes (plexiglass required). The exhibit box should be 18" x 24" x 3 1/2". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep exactly. IF A BOX HAS A SLIDING PLEXIGLASS COVER, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing glass cover should not be used.
4. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the PLEXIGLASS COVER (inside--use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).
5. Geology specimens should be labeled with the number of the specimens, date collected, specimen name or description, and locality (county) where collected.
6. For the geology classes 4501, 4502, and 4503, specimens should be mounted in the box by proper groups -- rocks, minerals, fossils. All specimens must be collected from locations in Kansas. Out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging.
7. Displays shall be the standard 3' by 4' tri-fold board.

221: GEOLOGY, continued

SPECIAL RULES

1. Review General Information.
2. Exhibitors may enter in both geology and lapidary classes.
3. All entries will be placed in plexiglass covered wooden boxes (plexiglass required). The exhibit box should be 18" x 24" x 3 1/2". All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep exactly. IF A BOX HAS A SLIDING PLEXIGLASS COVER, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing glass cover should not be used.
4. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the PLEXIGLASS COVER (inside--use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).
5. Geology specimens should be labeled with the number of the specimens, date collected, specimen name or description, and locality (county) where collected.
6. For the geology classes 4501, 4502, and 4503, specimens should be mounted in the box by proper groups -- rocks, minerals, fossils. All specimens must be collected from locations in Kansas. Out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging.
7. Displays shall be the standard 3' by 4' tri-fold board.
8. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd receiving Champion and Reserve Champion in open class. There is no age division in Geology.

Class

4840 - Beginning Geology -- Display at least 15 rocks, minerals, and fossils collected during the current 4-H year. Limited to one exhibit box 18" x 24" x 3 1/2" with plexiglass cover. Fossils must be identified to the Phylum level. Only first year project members may enter this class.

4841 - Intermediate Geology -- Display at least 30 different rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Limited to one exhibit box 18" x 24" x 3 1/2" with plexiglass cover. Fossils must be identified to the Phylum level. Only first and second year project members may enter this class.

4842 - Advanced Geology -- Display at least 60 rocks, minerals, or fossils, at least 5 of each. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction. (Fort Hays limestone, not just limestone; Composita Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod). Exhibit limited to two boxes 18" X24" X 3-1/2" with plexiglass cover. Exhibit must include approximately 15 specimens of current year's work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum, class & Genus levels if possible. Only fifth year or older project members may enter this class. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.

4843 - Geology Educational Exhibit/D

4844 - Mineralogy — Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO₃ for calcite) if known.

4845 - Mineralogy Educational Exhibit/D

4846 - Fossils - Display a minimum of 15 fossils collected in Kansas, at least 5 of which have been collected during the current year. The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO₃ for calcite) if known.

4847 - Fossil Educational Exhibit/D - Special exhibit relating to a species of a fossil.

Educational Exhibit must be directly related to Geology, Mineralogy or Lapidary.
Display boards are to be 3' by 4' tri-fold.

Class #

- 4848 - Geology Educational or Creative Exhibit/N
- 4849 - Geology Educational or Creative Exhibit/P
- 4850 - Geology Educational or Creative Exhibit/V
- 4852 - Mineralogy Educational or Creative Exhibit/N
- 4853 - Mineralogy Educational or Creative Exhibit/P
- 4854 - Mineralogy Educational or Creative Exhibit/V
- 4855 - Fossils Educational or Creative Exhibit/N
- 4856 - Fossils Educational or Creative Exhibit/P
- 4857 - Fossils Educational or Creative Exhibit/V

LAPIDARY CLASSES

The lapidary will be judged on the following criteria:

Workmanship and Content.....	60 points
Presentation and Showmanship.....	30 points
<u>Accuracy of Information.....</u>	<u>10 points</u>
TOTAL	100 points

1. Read general information.
2. Specimens must be collected by exhibitor.

- 6 Blade Spinners...
giving up to a 35' Swath
- Beaters Covered for a Finer Spread
- GPS Technology & Flotation Tires
- Stock Piling,
- Pen & Pit Cleaning

Ty Panzner

Mobile 620-255-5439 • Jetmore, KS

3. Exhibit must contain:
 - Specimen name
 - Place of origin (country, state, or county; county required for Kansas specimens)
 - Purchased or self-collected
 - Date lapidary treatment began
 - Date lapidary treatment completed
4. Beginning Lapidary-The standard size exhibit box is (18" x 12" x 3 1/2"). Specimens should be arranged across the (18") dimension of the exhibit box, making the exhibit 18" across the top and 12" down.
5. Advanced Lapidary-Standard size exhibit box should be 18" x 24" x 3.5". All specimens are to be arranged across the narrow 18" dimension of the exhibit box, making 18" across the top and 24" down. Must have a removable plexiglass top.
6. Exhibitor may also exhibit in any other geology class.
7. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd receiving Champion and Reserve Champion in open class. There is no age division in Lapidary.

Class #

4859 - Beginning Lapidary -- Exhibit as least 6 gemstones and minerals that have received lapidary treatment. Lapidary treatment may consist of tumbling, polishing and end or face or flat lapping. Specimens must represent at least 3 different gemstones and minerals, and include at least 3 cabochons of any size or shape. Three of the specimens must be mounted. Label specimens as appropriate including locality (state) where originated.

4860 - Advanced Lapidary -- Display at least 30 stones and minerals that will cut or polish. Five of the specimens must be collected by the member from the native site (not limited to Kansas.) Polish 15 of the gemstones by tumbling. Label, giving identification of material and county where collected or state or country of origin for non-Kansas material.

4861 - Lapidary Educational Exhibit/D

4862 - Lapidary Educational or Creative Exhibit/N

4863 - Lapidary Educational or Creative Exhibit/P

FIBER ARTS

Fiber Arts is defined as any method of creating a unique design with fiber, fabric, or yarn. This may include: making fabric (such as weaving, crochet, knitting, needlepoint); or when existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art). Ethnic Fiber Arts should use a fiber or yarn or fabric to create the design exhibit. Non-textile (examples include wood reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.

SPECIAL RULES

1. All exhibits must have been finished in the last five years.
3. All articles/garments must be finished for use.
4. When articles which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles securely with yarn.
5. Special consideration will be given to articles which are of original design. Such articles should have a note attached explaining the original design.
6. All exhibits which need to be hung **MUST** have the appropriate saw tooth hanger, rod, wire or other mechanism attached in order to be properly displayed.
7. Fiber Arts include crocheting, knitting, quilting, and stitchery.
8. **Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd in each division (Crocheting, Knitting, Quilting, and Stitchery receiving Champion and Reserve Champion in open in all age groups.**

214: CROCHETING

1. Read General Information.
2. May exhibit unlimited articles in a class.
3. When articles which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.

219: FOOD AND NUTRITION

1. A good recipe (from any source) may be used. All Exhibits must have recipe included. Open Youth may use a commercial mix.
2. Remove the baked products from the pan and place on a white paper plate or on a foil-covered cardboard which has been cut to fit the size of the product. Place in a clear plastic bag. Do not wrap in plastic wrap (Saran). Pies should be baked in disposable 8" or 9" aluminum pans.
3. All exhibits are to be labeled when entered. Labels should be pasted on the underneath side of the plate and should give name of product, class number, name of exhibitor, and project.
4. Only whole cakes will be accepted. Layer cakes must be two or more layers. Unfrosted cakes shall be exhibited in upright position with top crust showing, except for those cakes with special designs, such as bundt cakes. Cakes may be made from your favorite recipe or from a commercial mix.
5. Starred items should be kept cold in a cooler or refrigerator until judging time.
6. Recipes should be attached to the bottom of plate.
1. Ribbons will be awarded in Purple, Blue, Red, and White with Champion and Reserve Champion overall **(BASIC, BISCUITS, CAKE, COOKIES, MUFFINS, ONE CRUST PIE, 2 CRUST PIE, QUICK BREAD, YEAST BREAD, MODIFIED)** in each open class age division.
2. For food safety purposes, any food with custard and dairy-based fillings and frostings (ex. Cream cheese) raw eggs, flavored oils, "canned" bread or cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. Bacon) or unbaked exhibit with raw flour (ex. No bake cookies) will be disqualified and not judged. Refer to K-State Research and Extension publication, 4-H888, Judge's Guide for Food and Nutrition Exhibits, for information to help you make informed, safe food exhibit decisions.
3. Alcohol is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
4. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf bread, etc.
- 7 Under baked entries will be lowered one or more ribbon placings.
- 8 * Starred items should be kept cold in cooler or refrigerator until judging time. The exhibit can be taken home or eaten after consultation judging. No State Fair exhibit for this items.
- 9 ** Dried foods are to be exhibited in small jar, clear plastic bag, or other see-through container.

220: FOOD PRESERVATION

1. Read General Information
2. All exhibits must be preserved within the last 12 months.
3. Recipes and processing methods from the sources below are recommended. Recipes must be from 1995-Present **AND MUST BE ADJUSTED FOR ALTITUDE based on your processing location, or it will be disqualified.** Processing methods that will be disqualified include: open kettle-canning, over canning, sun canning and using electric multi-cookers. For more information on electric multi-cookers, see http://nchfp.uga.edu/publications/nchfp/factsheets/electric_cookers.html. Untested recipes will be disqualified for food safety reasons. Tested recipe resources include; **a.** K-State Research and Extension Food Preservation publications, **b.** Other University Extension Food Preservation publications, **c.** USDA Complete Guide to Home Canning, **d.** So Easy to Preserve, 6th edition, The University of Georgia Cooperative Extension Service, **e.** Ball Blue Book Guide to Preserving, **f.** Ball Complete Book of Home Preserving, **g.** All New Ball Book of Canning and Preserving, **h.** Canning mixes (i.e. Mrs. Wage's, Ball), **i.** Pectin manufacturers (i.e. SureJell, Ball), **j.** <http://www.rrc.k-state.edu/preservation/recipes.html>
4. Refer to following K-State Research and Extension publications for more information: **a.** 4H712, Food Safety Recommendations for Food Preservation Exhibits (<http://www.ksre.ksu.edu/bookstore/pubs/4H712.pdf>), **b.** MF3170 "10 Tips for Safe Home-Canned Food" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3170.pdf>), **c.** MF3171 "Sassy Safe Salsa at Home" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3171.pdf>), **d.** MF3172 "What's Your Elevation?" (<http://www.ksre.ksu.edu/bookstore/pubs/MF3172.pdf>), **e.** MF3241 "How to Guide to Water Bath Canning and Steam Canning" (<http://www.bookstore.ksre.ksu.edu/pubs/MF3241.pdf>), **f.** MF3242 "How to Guide to Pressure Canning" (<http://www.bookstore.ksre.ksu.edu/pubs/MF3242.pdf>)
5. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
6. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be lowered one ribbon placing. Recipe must include exhibitor name, recipe source, date of publication and altitude. Where food was processed. If using Mrs. Wage's or Ball mixes, indicate the date the mix was purchased.
7. Exhibits must be sealed in clean, clear standard canning jars, with matching brand (ex: use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two piece lids. Do not use colored jars. Do not add fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so (ex: Pickled asparagus). Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe. Note: There are 12-ounce, 24-ounce and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12-ounce jars. Use quart jar process recommendations for 24 ounce and 28-ounce jars.
7. Each jar exhibited must be labeled. The label must not cover brand name of jar. The label must give: Class No, Product, Altitude where processed, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), date processed including month and year, Name, and County/District. Templates to make adhesive labels can be found at: <https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/food-preservation/Food%20Pres%20Label%202018%201%20x%202.58.docx> or <https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/food-preservation/Food%20Pres%20%20Label%202018%202%20x%204.docx>
8. If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 – ½ cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in "Dry meat Safely at Home" www.ksre.ksu.edu/bookstore/pubs/MF3173.pdf Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be lowered one ribbon placing. Recipe must include exhibitor name, recipe source, date of publication and altitude of residence.
9. There are no limits to the number of entries you may have.
10. Jars will be judged on appearance and proper canning method used for preserving the product.
11. Each exhibitor must exhibit one jars of the product. Jars must be left for exhibit until check-out.
12. Ribbons will be awarded in Purple, Blue, Red, and White with exhibits receiving Champion and Reserve Champion in each age division in open class.

6600 - Cultural Arts

211: DECORATED COOKIE JAR CONTEST

Any Hodgeman County resident youth or adult is eligible to enter the cookie jar contest.

1. You are required to decorate a clear plastic wide-mouth jar of 1 gallon capacity.
2. Fill your jar with a variety of 4 different kinds of cookies, each individually wrapped in clear plastic wrap.
3. Also bring one cookie of each kind in a covered flat box with each cookie individually identified and wrapped in plastic wrap, so that judges will not need to open the jar. Boxes of cookies will not be returned.
4. Hang entry card around the neck of the cookie jar.
5. Your cookie jar is to be entered by 8:45 a.m. Saturday. It will be on display during the county fair. All cookie jar entries may be checked out on Tuesday evening after 9:00 p.m.
6. Grand Champion Adult Cookie Jar will be auctioned on Tuesday evening, with owner permission, with proceeds being donated to Hodgeman Co. Fair Building Fund.
7. All 4 kinds of cookies must be visible.
8. Entries will be divided into Youth and Adult Divisions.
9. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd receiving Champion and Reserve Champion according to age division.

Class #

6620 - Decorated Cookie Jar, Youth Division

6621 - Decorated Cookie Jar, Adult Division

230: PET SHOW DIVISION

All youth, 4-H and other, are encouraged to show their pets (any kind). There will be classes to accommodate any and all pets. The Pet Show is held in the show ring on Sunday.
Rules

1. All exhibits must be caged or on a leash while on the fairgrounds. Entries will stop being taken **ten** minutes before the show. Last call will be announced.
2. No intact male cats or dogs.
3. The pet show is open to any Hodgeman County resident.
4. Dogs must be harnessed or leashed while in the show ring.
5. Dogs must be free of fleas and bathed.
6. Cats & dogs must have all vaccinations current and the owner must present proof of vaccination upon entering the show. Required vaccinations: Rabies, Distemper, and Feleuk.
7. All animals are brought at owners own risk.

7033: 12-15 years old Turtle Races

7034: 16 years or old Turtle Races

7035: Overall Championship Turtle Races

256: VETERANS DISPLAY

Class #

6650 - Veterans Display

PHOTOGRAPHY

231: PHOTOGRAPHY

SPECIAL RULES

1. Black & white and color photographs may be exhibited.
2. Exhibitor may enter unlimited photos per class.
3. Photographs entered must be the result of the current year's work by the exhibitor.

4. **Photos are to be mounted across the narrow (11") dimension of an 11" x 12.5" sheet of white studio mount.**
5. All photos must be no larger than 8" x 10" and no smaller than 7" x 9", after trimming.
6. Photos must be mounted with the top edge of the print 1 inch down from the top and centered on the board. The sides of the print must be equal distance from the two sides of the mount.
7. A permanent mount must be made by using photographic adhesive mounting. Use only adhesives designed for permanent photography mounting. Do not use double stick tape, rubber cement or other household glues. These products cause buckling, stains or lumps in photo surfaces. Frames and glass are prohibited.
8. No lettering is permitted on the front of the mount or on the photo, only on the form provided. No underlays or borders are to be used. No contact prints on front of mount.
9. Exhibitor's name, address, phone number, photo class on entry tag.
10. **All black and white prints will be judged together in each class. All color prints will be judged together in each class.**
11. Improperly mounted photos will be awarded a ribbon one placing lower than the placing determined by the official judges.
12. A non-adjustable camera has a fixed f-stop and shutter speed. Phones are considered non-adjustable. If the f-stop or shutter speed can be changed either manually or automatically, the camera is adjustable.
13. Each entry will be placed in a photo bag to at the fair to protect the photo during transportation, handling and display. Each entry must have a completed entry tag inside the plastic bag.
14. Exhibitors are required to submit small original photos for items entered in special effects classes. Place the original photo (4" x 6" or smaller) in an envelope, tape the sides and bottom to the back side of the mount board with the flap opening out.
15. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, red eye removal, cropping, dodging and burning should be entered in the standard classes.
16. Slides have been dropped
17. Black and white class is for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.
18. Computer manipulated photos may include multiple prints on the board showing the changes made.
19. All videos are to be original and result of the member's current year's work, be no longer than five (5) minutes and comply with copyright regulations.
20. **Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd in each age division receiving Champion and Reserve Champion in open class.**
21. Appropriate photo subject matter: Photographic subject matter is expected to followed 4-H Standards. If it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the Fair including photos of alcohol beverages or advertisement or photos taken on Railroad tracks or property.

22. Photos with live subject(s) on railroad right away or taken from railroad right away property will not be displayed in KS 4-H Photography.
23. Copyright protections must be observed.

Cash prizes awarded to the
Champion and Reserve Champion
scan of each market specie entry.

Videos/movies must be judged in a projected format. Entries must be full motion not a series of still images with pan or zoom motion added by a software program. All content must be the result of the current year's project work. All content must be original and created by the exhibitor(s) unless signed copyright, use and/or performance releases are provided. Entries may be created by an individual or by a team. Talent, computer editing, titles, graphics, animation and music are allowed and recommended. Entries must be one of the following production types: Instructional, Informational, Documentary, Persuasive/PSA, Story or Entertainment. Length must be no longer than three minutes with the exception of Persuasive/PSA which must either be 30 seconds or 60 seconds. Entries will be evaluated on design characteristics, technical content, production quality, and effectiveness. Entries not adhering to the rules and requirements will be awarded a ribbon one placing lower than the placing determined by the official judges. Sound should follow the story line and should be more than dialog, but sound is not a required feature. In addition, all of the photographic techniques, such as the rule of thirds, composition, framing, etc., will be applied. Titles may be used but are not required. Videos must be in a DVD standard format, so as to be playable on a laptop computer. Place DVD in a 2 gallon self sealing plastic bag with entry tag. Exhibitor is responsible for supplying audio-visual equipment. The Fair Board takes no responsibility for damage or theft of any equipment and/or materials used by the exhibitor.

Class #

- 4230 - Forage Sorghum, hybrid, 5 entire plants without roots, (Hybrid must be named)**
- 4231 - Other Forage Sorghum, 5 entire plants without roots, (Variety must be named)**
- 4232 - Alfalfa exhibit to consist of one flake or slice from a rectangular bale, or a 10-inch section cut from a round bale. The flake or slice should be approximately 6 inches in thickness and tied in two directions. Variety must be named.**
- 4233 - Native Grass Hay- Ten inch flake or slice. Six inches thick and tied in two directions. Variety must be named.**
- 4234 - Edible Field Beans bundle of 15 live plants grown in current year.**
- 4235 - Soybeans bundle of 5 live plants grown in current year.**
- 4236 - Forage Corn, 5 entire plants without roots, (Hybrid must be named)**
- 4237 - Other Forage Crops, one flake or slice**
- 4238 - Miscellaneous crops - exhibit to consist of one gallon sample of seed produced from current project or 10 heads produced from current crop. (Variety must be named.)**
- 4239 - Cotton Bolls—10 open bolls (not plants)**
- 4240 - Corn - Exhibit to consist of one gallon sample. Variety must be named.**
- 4241 - Weed control exhibit**

233: FLOWERS

1. In these exhibits the judges shall consider arrangement or appropriateness of containers; however, paper cups for containers should not be used. Exhibits shall be judged by excellence and freshness of blossom, stem and foliage. Unlimited entries in each class will be accepted. *No purchased plants or flowers.*
2. It is recommended to put the name and variety of flowers on entry card.
3. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd receiving Champion and Reserve Champion in both open and 4-H. There are no age divisions in Flowers.

Class

ARRANGEMENTS, DRIED, & POTTED PLANTS		
4520 - Asparagus Fern	4551 - Dahlia, under 4"	4584 - Strawflower, Stalk
4521 - Arrangement of Dry Flowers	4552 - Dahlia, 4-8"	4585 - Sunflower
4522 - Begonia	4553 - Dahlia, more than 8"	4586 - Sweet Pea
4523 - Chrysanthemum	4554 - Daisy, Livingston	4587 - Verbena
4524 - Geranium Plant	4556 - Daisy, Shasta	4588 - Vinca (Periwinkle)
4525 - Impatiens	4557 - Day Lily	4589 - Wild Flower
4526 - Ivy	4558 - Dianthus/pinks	4590 - Zinnia, Small
4527 - Japanese Lanterns	4559 - Echinacea	4591 - Zinnia Large
4528 - Lunaria (money plant)	4560 - Gaillardia	4592 - Any Other Annual not listed
4529 - Orchid	4561 - Geranium Stem	4593 - Any Other Perennial not listed
4530 - Ornamental grasses	4562 - Gladiolus	HOUSE PLANTS
4531 - Petunias	4563 - Hibiscus, Perennial	4594 - African Violet
4532 - Statice	4564 - Hibiscus, Tropical	4595 - Asparagus Ferns
4533 - Straw Flower	4565 - Hydrangea	4596 - Begonia
4534 - Succulent	4566 - Ice Plant	4597 - Boston Ferns
4535 - Table Arrangement	4567 - Lily, Oriental	4598 - Cacti
4536 - Violet	4568 - Lily, Tiger	4599 - Coleus
4537 - Miscellaneous	4569 - Marigold	4600 - Collection of Cacti (3 or more)
ONE SPECIMEN EXHIBIT	4570 - Petunia, Single	4601 - Collection of Succulents (3 or more)
4538 - Aster	4571 - Petunia, Double	4602 - Geraniums
4539 - Bachelor Button	4572 - Obedient Plant	4603 - Hanging Basket
4540 - Black-Eyed Susan	4573 - Orchid	4604 - Ivy
4541 - Calendula	4574 - Pansy	4605 - Philodendron
4542 - Canna	4575 - Phlox	4606 - Succulents
4543 - Carnation	4576 - Pinks	4607 - Terrarium
4544 - Chrysanthemum Sprays	4577 - Poppy	4608 - Other
4545 - Cleome	4578 - Primrose	
4546 - Cockscomb	4579 - Rose	
4547 - Columbine	4580 - Rose, Hybrid Tea	
4548 - Cone Flower	4581 - Rose, Miniature	
4549 - Coreopsis	4582 - Salvia	
4550 - Cosmos	4583 - Snapdragon

234: FORESTRY

1. All exhibits to be mounted on 8 ½ x 11 heavy stock paper and placed in loose leaf binders. (Magnetic or adhesive filler sheets for photographic prints are recommended).
2. Name, club, age and year in project should be on front cover.
3. Divide specimens into the following 2 sections: Native Kansas Forest Trees and Non-native Kansas Forest Trees.
4. For ideas on mounting, see the Forestry Project Member's Guide (4-H 279). Exhibit one complete leaf where possible. Where leaf is too large, exhibit as much of the terminal portions as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion comes from.
5. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include the proper common name (as listed in 4-H Bulletin 334, "List of Native Kansas Trees"), location (city and/or county where collected), and date (day, month, year) collected.
6. Displays shall be the standard 3' by 4' tri-fold board.

Class

- 4640 - Junior Forester - Knowing Trees as Individuals.** Beginning - Exhibit leaves of 10 different native Kansas trees, OR leaf, twig and fruit of five different trees. Can exhibit non-natives in addition to native Kansas trees category.
- 4641 - Intermediate - Leaf Specimens Only** - Exhibit leaves of a minimum of 20 (includes at least 10 new and 10 previously collected in beginning class) different native Kansas trees OR leaf, twig and fruit of 10 (includes 5 previously collected in beginning class) different trees. Can exhibit non-natives in addition to native Kansas trees.
- 4642 - Advanced Exhibit** - leaves of a minimum of 40 (includes at least 20 new and 20 from previous classes) different native Kansas trees, OR leaf, twig and fruit of 20 different. Includes 10 new and 10 from previous classes) different trees. Can exhibit non-native in addition to native Kansas trees.
- 4643 - How A Tree Grows** - Display required project notebook with 10 or more seeds collected with pictures showing germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibit an illustration of how a tree grows.
- 4644 - Tree Appreciation** - Entry may include a research or reporting notebook with no more than 10 pages based on the exhibitor's selected tree. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.
- 4645 - Senior Forester -Growing and Protecting Trees** - Display requires project notebook telling about project and pictures before, during and after planting seedlings.
- 4646 - Tree Culture** - Display requires project notebook showing your project work including pictures of before, during and after woodlot improvement.
- 4647 - How Forests Serve Us** - Display collected wood samples (all or partial) and a 500 word essay. Wood sample display is to be mounted on poster board or any stiff mounting material no larger than 3' wide x 4' high. Essay should be displayed in a covered binder.

Educational Exhibit must be directly related to tree identification or Forestry. Type of exhibit Is open (notebook, poster, collection box, etc.) given a maximum size of 2' x 3'. This is a good class to exhibit an unusual collection. Must be related to the Forestry Project.

4648 - Educational/Creative Exhibit/N

4649 - Educational/Creative Exhibit/P

4650 - Educational/Creative Exhibit/D

4651 - Educational/Creative Exhibit/V

235: GARDEN

1. Number following class description indicates number required for exhibit.
2. Unlimited number of entries per class.
3. It is recommended to put the name and variety of vegetables on entry card.
4. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd receiving Champion and Reserve Champion in open class. There is no age divisions in Gardening.

Class

Fruits		
4410 - Apples, any variety, 5	4434 - Cabbage, green, 1	4453 - Potatoes, Sweet, any variety, 5
4411 - Berries 1/2 pt. box	4435 - Cabbage, red, 1	4454 - Pumpkins, Field, 1
4412 - Crabapples, any variety, 1/2 pt. box	4429 - Cantaloupes, any variety, 1	4455 - Pumpkin, mini, 3
4413 - Peaches, any variety, 5	4436 - Carrots, any variety, 5	4456 - Radishes, 12
4414 - Plums, any variety, 5	4437 - Cauliflower, 1 head	4457 - Rhubarb, 5
4415 - Pears, any variety, 5	4438 - Cucumbers, Pickling, 5	4458 - Squash, butternut, 1
4416 - Other large fruit, any variety, 5	4439 - Cucumbers, Slicing, 5	4459 - Squash, cushaw, 1
4417 - Other small fruit, any variety, 1/2 pt. box	4440 - Eggplant, 1	4460 - Squash, hubbard, 1
	4441 - Kohlrabi, 5	4461 - Squash, summer, 1
	4442 - Muskmelon, any Variety, 1	4462 - Squash, winter, 1
	4443 - Okra, 5	4463 - Squash, zucchini, small, slicing, 1
	4444 - Onions, red, 5	4464 - Squash, zucchini, large, baking, 1
	4445 - Onions, white, 5	4465 - Sweet corn 5 ears
	4446 - Onions, yellow, 5	4466 - Tomatoes, slicing, 5
	4447 - Parsnips, 5	4467 - Tomatoes, cherry, 5
	4448 - Pepper, banana 5	4468 - Turnips, 5
	4449 - Peppers, bell, 5	4469 - Watermelon, any variety, 1
	4450 - Peppers, other, 5	4470 - Other vegetable, not otherwise specified
	4451 - Potatoes, Irish Red, 5	Large 1, med. 5, sm. 12
	4452 - Potatoes, Irish White, 5	

4475 - **Garden Display:** Canned vegetables are not acceptable. Only one variety of a specific vegetable may be exhibited. The numbers of the five vegetables to be exhibited are as follows: Large vegetables, one each: Watermelon, squash, pumpkin, eggplant, cabbage, cantaloupe or similar vegetable. Medium vegetables, five each: Cucumbers, tomatoes, carrots, beets, onions, peppers, parsnips, okra, radishes Irish potatoes, sweet potatoes. If small fresh vegetables, such as green beans, are used as one of the five different vegetables, a dozen is suggested for a good display. Shelled vegetables should not be exhibited. Quality and condition of exhibit will be considered. Choose vegetables for exhibit that will hold up well during the Fair. Avoid over-ripe or over-mature specimens. Those that are slightly under-ripe or slightly immature when picked may last longer.

Other Horticulture Classes

- 4480 - **Largest Sunflower Head** (cut the sunflower head off the stem 8" below the seed head) (Open Only)
- 4481 - **Tallest Domestic Sunflower** (cut sunflower off at ground level, do not bring roots to fair.) (Open Only)
- 4482 - **Tallest Wild Sunflower** (cut sunflower off at ground level, do not bring roots to fair.) (Open Only)

236: MARKET WHEAT SHOW

1. All entries compete together, no division
2. An entry consists of a 10 lb. Sample of wheat grown by the exhibitor in the current year. All entries must be combine run. Hand picked and /or screened entries are not allowed
3. It will be necessary for the grower to fill out a crop data card on each wheat sample. These crop data cards will be available at participating elevators and at the Hodgeman County Extension Office. These crop data cards must accompany each wheat sample.
4. Each exhibitor will be limited to one (1) entry for each class.
5. Quality samples from the Hodgeman County Wheat Show will be entered in the State Fair Market Wheat Show.
6. Samples will be sent to the Kansas Grain Inspection Service. Samples will be analyzed and judged on the following criteria based on a point system listed below.

Judging Criteria:

Variety selection	250 points
Protein	200 points
Test Weight	200 points
Dockage	200 points
Shrunken & Broken	100 points
Completeness of data card	<u>50 points</u>
Total of all Criteria	1000 points

7. The decision of the judges will be final – no appeals will be considered. In case of a tie, premiums will be added together and divided by the number of entrants involved in a tie.
8. Ribbons will be given for the following classes:

Class

4250 - KSU HRW Varieties

4251 - Other Public HRW Varieties
(CO, TX, OK, etc.)

4252 - All AgriPro/Syngenta Varieties

4253 - All Westbred Varieties

4254 - All hard white wheat varieties

4255 - All other varieties

The first four placing in each class will receive Purple, Blue, Red, and White ribbons respectively.

STEM

246: AG MECHANICS

1. The purpose of the Hodgeman County Fair Ag Mechanics contest is to stimulate interest in Agriculture and other areas. Projects will be judged based on workmanship, quality, welding skills, techniques, finish and the project's ability to function.
2. The Hodgeman County Fair, and its members will not be responsible for loss or damage to projects exhibited.
3. There is no limit as to the number of projects a chapter or individual may enter.
4. Exhibits for this division must be finished during the current year.
5. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd overall receiving Champion and Reserve Champion in open class by age division. No award made for Champion or Reserve Champion when there are less than three entries, except when the judge feels the exhibits are of champion quality.
6. For the total exhibit dimensions should not exceed 3 feet high, by 3 feet wide, by 3 feet deep. Total exhibit weight may not exceed 150 pounds (movable by a team of 2 people)
7. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
8. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total dimension's and weight of the exhibit as described previously.
9. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
10. Exhibits may not be bound, affixed, attached to the buildings, except by the superintendent or Extension Staff.
11. Repair projects having adequate original finish need not be repainted.
12. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
13. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
14. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
15. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
16. Each exhibit must include an Ag Mechanics information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
17. Each exhibitor is required to complete the "4-H STEM Ag Mechanics Exhibit Information Form" which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit.
18. Each exhibit information packet should include the following items: A) Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost, B) 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state, C) If appropriate schematics or working drawings relating to the creation or repair, D) If appropriate include operating instructions.

246: AG MECHANICS, continued
STEM - AG MECHANICS Score Card

1. Workmanship	
A. General appearance and finish	10%
B. Quality of workmanship	15%
C. Number of skills	15%
2. Structure and design	
A. Strength and durability	15%
B. Originality	5%
C. Safety Features	10%
3. Practicability	
A. Labor saving on Farm	10%
B. Convenience and usefulness	10%
4. Material	
<u>A. Economic choice of material</u>	<u>10%</u>
TOTAL	100%

Class #

6010 - Micro Project class (under \$100 for skills tests, ornamental and/or recreational items.)

6011 - Small Project Class (\$100 to \$500 construction cost). Ex: Engine Stands, Picnic Tables, Two Wheel Trailer, Car Ramp, Feed Bunk Gates, Clipping Shoots.

6012 - Intermediate Project Class (\$500 to \$2,000 construction cost). Ex: Working Facilities, Box Scrapers, Blades Hydraulic Press, Hydraulic Lifts Trailer, Cherry Pickers Squeeze Shoot, Pickup Flat Beds, Hydraulic Hoist, Log Splitter.

6013 - Large Project Class (more than \$2,000 construction cost). Ex: Goose neck Livestock Trailer, Straight Tongue Livestock Trailer, Single Axle Trailer (8 ft. or longer), Grain Trailer, Round Bale Trailer, Subsoiler, Car Trailer

6014 - Welding Board Display - a 3 foot by 3 foot display board with different pieces of metal attached illustrating different types of welds, each weld being labeled.

6015 - Smithing Board Display - a 3 foot by 3 foot display board with different pieces of forged metal attached illustrating different forms, each form being labeled

247: ARCHITECTURAL BLOCK CONSTRUCTION

Description: The project is starting with an emphasis on using architectural blocks (“Legos”) to construct dioramas. This project allows youth to explore architectural design in a three dimensional space. The intent is for this program start with foundational ideas of architecture, some of which youth may already have, and allow youth to continue to build on this knowledge becoming more and more experienced.

1. Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current year.
2. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
3. All exhibits should be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. A fish tank would be an acceptable enclosure. This is to keep exhibit parts from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure are part of the total exhibit dimensions.
4. All components used in construction should be dust free, clean, free of chips, scuffs, or cracks
5. The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego®
6. Other architectural components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks
7. The use of existing “store bought” sets for major architectural elements of the display is not allowed, use of figurines from sets is allowed as are using individual bricks to create something different than the architectural component of the set it came from.
8. Displays must have significant architectural components (walls, windows, doors, roofs, canopies flying buttresses, etc.), landscapes are discouraged
9. Architectural elements should have a consistent look, walls with no pattern or consistency will be deducted one ribbon placing
10. Gaps or cracks should not be visible between assembled blocks
11. Doors should open and close, windows can be either fixed or open and close.
12. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method
13. Reveals that show the inside of a structure are acceptable, such as only having three walls to allow an unobstructed view into a room.
14. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. If used judges should be able to use them and instructions should be provided for operation.
15. Artistic designs with no architectural design/components are not permitted and two ribbon placings will be deducted
16. The exhibitor’s name(s) must be tagged or labeled in a prominent location on the display
17. Each exhibit must include an Architectural Block Construction information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
18. Each exhibitor is required to complete the “4-H STEM Architectural Block Construction Exhibit Information Form” which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit.
19. Each exhibit information packet should include the following items:
 - a. At least one drawing of the desired architecture on graph paper, multiple views (top, front, side) are preferred
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state
 - c. If appropriate operating instructions for mechanical portions of the diorama

Class #

6200: Youth

6201: Adult

248: ASTRONOMY

Guidelines:

1. Read general information.
2. Each exhibitor may enter two exhibits per class. Exhibits must have been completed during the current year.
3. Pre-finished telescopes which require no construction or painting are not acceptable exhibits.
4. Each telescope must also include construction plans (or a photocopy) of the telescope. Place it inside the manila envelope.
5. Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8 ½" x 11" page. A brief caption should accompany each photograph. Place photos in the 10"x13" manila envelope. On the outside of the envelope a "4-H Astronomy Exhibit Information Form," should be attached .
6. A short summary of when and where the telescope was used must also be in the envelope.
7. For original design telescopes, describe in the summary how it was tested for accuracy.
8. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.
9. Telescopes should not be more than three feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
10. The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smooth and tight.
11. Exhibitor's name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the telescope stand, educational display, notebook, and/or poster.
12. Astronomy educational posters must be no larger than a 22" x 28" poster board.
13. Astronomy project notebooks must be organized in a 3-ring binder.
14. Educational displays should be creative and showcase something specific you have learned in the astronomy project during the current year. Follow copyright laws, as explained in General Information as you are preparing your exhibit. Site your sources of scientific information on your exhibit, when appropriate.
15. Educational displays are limited to a 2' x 3' tri-fold display board. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand Fair conditions. In 100 words or less, describe your experience in the Astronomy project this year and place it in the envelope.

Class #

6202 - Youth Astronomy – Telescope (kit)

6203 - Youth Astronomy – Telescope (original design) Include original plans.

6204 - Youth Astronomy – Educational Exhibit

6205 - Adult Astronomy – Telescope (kit)

6206 - Adult Astronomy – Telescope (original design) Include original plans.

6207 - Adult Astronomy – Educational Exhibit

249: COMPUTER

1. The computer project teaches concepts related to computers, hardware knowledge, software programming and applications, internet safety, the building, maintenance and repair of computers and future career opportunities. Please note that the actual construction of computer hardware (i.e., building a computer, electronic devices with a mother-board based manipulation) will remain in the Energy Management division.
2. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current year.
3. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the computer project. Value is placed on youth who can demonstrate how their skills have increased while completing the project.
4. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet will be available at www.kansasspacetech.com. Follow copyright laws, as explained in the General Rules as you are preparing your exhibit(s). Site your sources of scientific information on your exhibit, when appropriate. Follow copyright laws, as explained in the General Rules as you are preparing your exhibit(s). Site your sources of scientific information on your exhibit, when appropriate.

5. Educational posters must be no larger than 22" x 28" poster board.
6. Educational displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Commercially available Science Fair Presentation Boards@ are encouraged. Exhibitors are encouraged to laminate all posters and maps or cover them with clear plastic film.
7. Project notebooks must be organized in a 3-ring binder.
8. If the notebook illustrates the creation, talks about, or shows the result of an app, application, executable, program, or other compiled /interpreted "source code," a copy of the source code should be included. (In other words if you created an app for a smart phone and you're illustrating that app, you should include the code you used to build the app). Failure to include a copy of the "source code" may result in up to one ribbon place deduction.

STEM Computer Systems

The Kansas 4-H STEM Computer System portion of the computer project of the computer project is designed to allow 4-H members to explore how *information* is moved from one part of the computer to the other; how *information* is moved between two or more computer systems (networking); how *information* is stored; or how *information* is acted on (programming). Any item which is not a notebook, display board, or poster displayed in this class is considered a "computer system" exhibit and MUST follow the rules set forth below.

1. All exhibits must be self-contained on a USB drive (thumb drive, flash drive, jump drive, or other any other name for a small USB storage device; the rules will use "USB drive"). This means that a judge can plug in the USB drive into a computer and be able to run the exhibit as described below OR System-On-A-Chip (SOC) (such as Raspberry Pi) or a Micro-Controller (such as an Arduino or Ozobot) AND is a compact (less than 4"X4"X4") system, which can be programmed AND requires minimal assembly to operate (e.g. connecting power, display, and keyboard/mouse cables). Referred to as a "chip system" through the rest of the rules.
2. Physical computers such as tablets, smart phones, laptops, or personal computers (PCs) will not be accepted as an exhibit.
3. "Chip systems" may use/include GPIO bread boards or HATs (Hardware Attached On Top) the size of which is not included in the size of the chip system, however the total size of the chip system and GPIO devices may not exceed 24"X24"X24" including any display cases.
4. Any attached GPIO devices are not judged for electrical construction or quality as this division is focused on the operational aspects of the systems that have automated reticulated structures (arms, wheels, grippers, etc.) which the exhibitor constructed, can be classified as a robot, and the exhibitor must decide which division to exhibit in as the exhibit may not be entered in the both divisions.

5. For chip systems, all electric components of the system must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for the electrical components.
6. For all computer system entries (those entries not covered by the rules above) the following items are required as part of an exhibit packet: **a.** A manila envelope with the Computer Exhibit Form attached to the front, this form can be downloaded at www.STEM4KS.com. **b.** A USB drive labeled with the exhibitors name; in a way that does not prevent it from being plugged into a computer. **c.** At least one (1) graphic (picture, screen shot/capture, slide, etc.) of the project must be printed out on an 8.5” X 11” sheet of standard computer paper, placed in a plastic sheet protector. On the back side of the graphic the exhibitors name, should be listed. **d.** Instructions to run any part of the exhibit on the USB drive.
7. (There should be at least three (3) items in your manila envelope: USB drive, graphic and instructions). Each exhibit must be accompanied by a “Engineer’s Journal.” The engineer’s journal should be typed. It can either be included electronically on the USB drive (preferred) or printed and placed in the manila envelope. The “Engineer’s Journal” should start with a dated entry describing what the exhibitor is trying to accomplish/ build. The “Engineer’s Journal” should conclude with a dated entry describing what the exhibitor achieved in creating. (The start and end many times will be different. The judges are interested in the journey).
8. Additional entries in the “4Engineer’s Journal” should be made as progress occur describing successes and failures; as well as the steps done and any sources of information including links used. Pictures can also be included in the “Engineer’s Journal” but should not be more than 50% of the entries. The “Engineer’s Journal” should contain at least one graphic. The “Engineer’s Journal” must be at least 3 pages in length. An example of a “Engineer’s Journal” can be found at www.STEM.com. The “Engineer’s Journal” will comprise 50% of the overall exhibit score. Failure to include a “Engineer’s Journal” will result in the exhibit being disqualified. If the exhibit is a program, application, app, web site, or requires any coding, the source code must be included on the USB drive. Diagrams or decision trees showing the logical flow of the system must be included on the USB drive for all exhibits. A set of instructions must be provided to run the computer system/application. These instructions should be printed off and included in the exhibit package and a copy should be included on the USB drive. FOR COUNTY FAIRS it is recommended that exhibitor bring a computer that will run their exhibit to the fair for judging as judges typically do not bring computers with them. Operating instructions are still required. Instructions should be written as though you were helping a less techy person, (like a grandparent) use the USB drive with a computer similar to what is described in rule 9 below. An example of instructions can be found at www.STEM.com. Each exhibit must accomplish a specific automated task using a computer or virtual machine (VM). Exhibitors should not assume that the computers have Internet connectivity and that any parts of the exhibit that require Internet access will not work. It is strongly recommended that 4-Hers test exhibits on a computer with Internet connectivity disabled. All licensing should be adhered to for any software used in the exhibit. Failure to do so will result in a reduction of one ribbon placing and may not be considered for best of show. The creation of viruses, malware, malicious applications or code, defamatory language or graphics, bullying, or any material that is “mean,” “dangerous,” or harmful according to the judge’s opinion will result in the exhibit being disqualified. Pictures or still graphics created are not eligible for entry as a project in this division, and should be entered in the appropriate photography division.
9. Judging will be based on a score sheet which can be found at www.KansasSpaceTech.com. There are four (4) area each exhibit will be judged on. They are:

4-H Engineers Journal (what I learned to make it work),	50% overall score
Instructions (how I help others make it work),	25% overall score
Functionality (does it work),	12% overall score
Diagrams (and code if applicable) (how I think it works),	13% overall score

SPECIAL RULES

1. Review General Information.
2. Two articles per class may be exhibited.
3. A sheet of operating instructions must be furnished for any exhibit not self-explanatory.
4. Exhibit must be operable. If battery power is required, batteries must be furnished.
5. Any project with a complexity of size or electronics must have:
 - a. instructions for assembly and use
 - b. equipment available at the time of judging for actual testing of the exhibit.
6. No hand dipped solder may be used on exhibits.
7. Article should be cleaned before exhibiting, if it has been used.
8. Displays shall be the standard 3' by 4' tri-fold board.

ALTERNATIVE ENERGY

(A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves). All exhibits in this division are limited in size to standard, tri-fold, display boards (36" X 48") and items may not extend beyond 12" from the back board. All displays must be self-standing.

Class

- 6030 - Household Wiring and Indoor Lighting** - includes original, kit, or restoration of projects such as lamps, small appliances, or other items intended for household usage.
- 6031 - Outdoor Wiring and Shop Lighting** - includes original, kit or restoration of projects such as portable spot lights, portable power tools, or other items intended for shop or outdoor usage.
- 6032 - Extension Cords and Trouble Lights** - includes original, kit or restoration of extension cords or trouble lights.
- 6033 - AC Demonstration Projects** - includes projects which are AC in nature such as household wiring demonstration of switches or outlets, entrance panels or other AC demonstration projects.
- 6034 - Motors, Fans, Heaters or Blowers** - includes original or restoration which utilize an AC or DC motor, fan, heater or blower. (ex: making motor portable, motor driven equipment, motor protector or other similar applications.)
- 6035 - Electronic Projects** - includes original, restoration or kits of electronic projects which utilize at least one electronic component such as resistor, transistor, or capacitor. Projects may be soldered or bread board construction. Electronic projects with a battery or direct current power source. (Examples include radios, telephones, toy robots, light meters, security systems, simple assemblies of crystal radios, signal sets, intercom set, transistor circuitry, science units, static producing units, automatic switch controls, etc.) May be constructed using printed circuit board, wire wrap, or breadboard techniques. **Include plan.**
- 6036 - Electronic Projects, kits.** Instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship. (ex: amplifiers, testing equipment, oscilloscopes, sound equipment, signal systems, radios, hi-fi sets, etc.)
- 6037 - Alternative Energy** (A form of energy derived from a natural source, e.g. sun, wind, etc.)
Educational Activity Display
- 6038 - Alternative Energy** (A form of energy derived from a natural source, e.g. sun, wind, etc.)
Experiment - Include hypotheses, background research, variables, a control, data, findings, conclusions and recommendations for future studies.
- 6039 - Educational Activity Electric Projects/N**
- 6040 - Educational Activity Electric Projects/P**
- 6041 - Educational Activity Electric Projects/D**
- 6042 - Educational Activity Electric Projects/V**
- 6043 - Educational Activity Alternative Energy Projects/N**
- 6044 - Educational Activity Alternative Energy Projects/P**
- 6045 - Educational Activity Alternative Energy Projects/D**
- 6046 - Educational Activity Alternative Energy Projects/V**

Proud Supporters of the Hodgeman County Fair!

251: ROBOTICS

1. Read general information.
2. Exhibit must have been constructed during the current year.
3. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited.
3. Robots must have automated reticulated structures (arms, wheels, grippers, etc.). Game consoles that display on a screen are not considered robots and should either be entered in computer systems division or energy management project. Robots requiring no assembly, just programming, such as Ozobots, are considered computer systems projects as the skill is focused on the programming not on the construction of the robot.
4. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds. If displayed in a case (not required or encouraged) the outside case dimensions may not be more than 26 inches in height, width, or depth.
6. Materials including but not limited to obstacles, spare batteries, and mats for testing the robot may be placed in a separate container, which is not included in the robots dimensions, that container may not be larger than 576 cubic inches as measured along the outside of the container. (Examples: 4”X4”X36” or 4”X8”X18” or 6”X6”X16) The container, if used, and/or any large objects (such as mats or obstacles) should be labeled with the exhibitors name(s) and county or district.
7. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is **NOT** considered an adequate enclosure or covering for electrical components.
8. Robots must be powered by an electrical, battery, water, or solar source only. Robots powered by fossil fuels/flammable liquids will be disqualified. All robots must include an on/off switch for operation. No remote control devices will be allowed.
9. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for this current 4-H year. Examples: Be able to vacuum the floor. Find the brightest spot in the room. Mimic life. Follow a line.
8. The exhibit must include written instructions for operation, construction plans, one to three pages of project photographs or a 5 minute CD, DVD, or video presentation, and robot programming information, if applicable. This information should be placed inside the 10”x13” manila envelope mentioned above. Each exhibitor is required to complete the “4-H STEM Robotics Exhibit Information Form” which is available through your local K-State Research and Extension office or at www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope.
9. Site sources of scientific information on your, Exhibit when appropriate.
10. Robots that include weaponry of any kind will be disqualified.
11. Creativity will be a strong criterion in judging the “Robot designed by Exhibitor” classes. “Robot designed by Exhibitor” may not be modifications of robot kits. However, these classes may include robots made from Legos Mindstorm Robotics parts, provided the plans and programming are the original work of the exhibitor. All robots should have a purpose or intended function, examples include, but are not limited to: following a line, sweeping the floor, solving a rubix cube, sorting colors, or climbing stairs.
12. The exhibit must include written instructions for operation (the instructions should be written as if they were to tell a grandparent or elderly person how to operate the robot), construction plans, and one to three pages of project photographs. In addition- a 5 minute video presentation placed on a CD, DVD, USB drive, or similar removable storage device, if applicable. For robots that can be programmed, robot programming information must be included, This information should be placed inside the 10” x 13” manila envelope mentioned above. The exhibitor may enter their electronic project listed under the electric program as under the STEM Robotics project if the exhibitor so chooses. No exhibitor will be allowed to set up their robot in person.
13. In the event that the robot uses a device like a phone, iPad, or tablet for programming AND operation, DO NOT include the device (phone, tablet, etc.). The device’s safety cannot be insured. Instead record a video demonstrating the instructions included for your robot. It should show, setting up the robot, starting the robot, the robot executing its task, and powering off the robot, just like the instructions are written.
14. Educational displays are limited to one 2’ x 3’ tri-fold display board and no more than 3’ x 3’ of table space. No card table exhibits will be allowed. Care should be taken to use durable materials that will withstand Fair conditions. No electricity will be provided.

Hays Office: (800)569-0156 Colby Office (866)633-0954

252: ROCKETRY

1. Exhibits must have been constructed during the current year. Each rocket must be able to stand freely by itself or be supported on a stand or rail limited to an 8 X 8" square, 3/4" thick with the exception of display rocket class. SUPPORT RODS MUST REMAIN IN THE UP RIGHT POSITION. DO NOT ANGLE. (Do not submit on launch pad).
2. Rocket paperwork must be entered with each rocket in a 10" X 13" manila envelope, Relevant from www.STEM4KS.com and include the following:
 - a. The rocket plans or a photocopy of the plans must be inside the envelope; and
 - b. One 8" X 11" page of photos showing the 4-H member constructing the rocket.
 - c. Photos at the launch site at the moment of ignition will be needed for the State Fair.
 - d. Original design rockets must include a summary statement explaining how the rocket was tested for stability prior to flying.
 - e. Do not catch rockets when they return to earth. It is an unsafe practice.
4. Engines and igniters shall not be exhibited with the rockets.
5. **Exhibitors who exhibit a rocket using a size E or larger engine must provide their National Association of Rocketry (NAR) membership number. Exhibitors must also be at least 15 years of age.**

General definitions for all categories:

1. Angles of fins must fall within a plus or minus 2 degree variation. Use of an approved fin alignment guide (such as DGD 031989), may be helpful.
2. Exhibits must be uniformly painted, smoothly finished, and have decals applied smoothly. Fins should be rounded or streamlined. Fins and body tubes are to be sealed to eliminate the appearance of body grooves and wood grain. Any seams on plastic parts are to be sanded smooth. The rocket is to be properly assembled. Fins and launch lugs are to be filleted to reduce drag and properly secured to the model. The nose cone is to fit snugly but still allow for easy removal.
3. Beginner kits with prefabricated fin assemblies and pre-finished rockets requiring no painting are **NOT** allowed, and will be given a participation ribbon.
4. Models **may not** be judged based on their paint scheme, with the exception of rockets that fit the definition of a "scale model." Rockets may deviate from the suggested paint scheme, allowing the 4-H'er to display maximum creativity in the finishing of their rocket. Under **no** circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move from one ribbon placing to another.
5. A scale model rocket is "any model rocket that is true to a scale model of an existing or historical guided missile, rocket vehicle, or space vehicle." The intent of scale modeling is according to the National Association of Rocketry, "to produce an accurate, flying replica of a real rocket vehicle that exhibits maximum craftsmanship in construction, finish and flight performance." (NAR "Pink Book" 50.1 4-1)
6. Advanced rocketry members may use alternative skins as a construction technique. Alternative Skins are thin coverings over a skeleton that serve as the finish of a rocket as opposed to painting. This allows the builder to display maximum design and creativity.
7. Flight damage is to be documented by the participant. The judging of flight damage is to be secondary to all other aspects of the model and only then may it even be considered. However under **no** circumstances may flight damage be grounds for disqualification.
8. **Original design** rockets **cannot** be a modification of a pre-existing kit and must be of original design.
9. Multi-stage rockets can be flown using just the final stage and be considered fully flown.
9. All exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1 of the current year.
10. Exhibitors will be responsible for their own rocket at the scheduled launch.
11. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket, at the judges discretion, will receive a participation ribbon.

High Power Rocketry Guidelines:

1. For the purposes of Kansas SpaceTech a mid-powered rocket is defined as a rocket that uses an ‘E’, ‘F’, ‘G’, or equivalent engine for launch. In addition, rockets also qualify for mid-power if they meet any of the following criteria: **a.** Is 2 inches or greater in diameter (not including fins) and taller than 3 feet (36 inches including fins) **b.** do not use an engine(s) exciding 160.01 Newton seconds of total impulse (an ‘H’ engine equivalent or above). **c.** The total impulse of all engines used in the rocket is greater than 20.01 Newton-seconds and less than 160.01 Newton-seconds.
2. For the purpose of the Kansas Space-Tech a high powered rocket is defined as a rocket that meets any of the following criteria: **a.** Weighs more than 3.3125 pounds (53 ounces or 1500 grams) at the time of launch; **b.** Uses a ‘H’ engine or larger to launch; **c.** The total impulse of all engines used in the rocket is greater than 160.01 Newton-seconds of thrust.; **d.** Includes any airframes parts of ductile, metal, though, the use of ductile metal is strongly discouraged.; **e.** Models powered by rocket motors not classified as model rocket motors per NFPA 1122, e.g.: **f.** Average thrust in excess of 80.01 Newtons; **g.** Contains in excess of 125 grams of propellant and are limited to only H and I motors. **h.** Uses a hybrid motor or a motor designed to emit sparks.
4. For the purpose of the Kansas Space—Tech **NO** rocket may be launched using engines totaling more than an ‘I’ impulse engine or 640 Newton-seconds of total thrust.
5. All exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1 of the current 4-H year. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division.
6. All rockets in this division are to be launched under adult supervision by the exhibitor who constructed the rocket.
7. If a rocket is launched using an engine(s) that has 160.1 (‘H’ engine or equivalent amount of smaller engines) Newton’s-seconds or larger, adult supervision must be provided by an individual having at least 1 high power certification, and should include supporting documentation of such (a copy of Level 1 Card is sufficient).
8. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the envelope.
9. Guidelines for exhibit and construction are as stated under the general guidelines.
10. All rockets must have a safe method of recovery, e.g. parachute, streamer, etc.
11. A Champion and Reserve Champion may be awarded in age division.

253: SMALL ENGINES

1. Review General Information.
2. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd receiving Champion and Reserve Champion in both age divisions.

Class #

6060 - Youth Engine Display Board: A dismantled 2 or 4 cycle engine with all parts properly labeled

6061 - Youth Safety Poster: Relating to lawn mowers and other types of small engine equipment

6062 - Youth Operations Poster: Listing procedures for winter storage, spark plug maintenance or other procedures from owner's manual

6063 - Youth Rebuilt or Repaired Engine: Engine must be on display.

- a. Must include engine type, model, serial number and whether 2 or 4 cycle engine.
- b. List what was wrong and what was done.
- c. List parts' prices and total amount spent on engine.

6064 - Youth Engine Cut-away: Display a cut-away of an engine showing internal parts.

6070 - Adult Engine Display Board: A dismantled 2 or 4 cycle engine with all parts properly labeled

6071 - Adult Safety Poster: Relating to lawn mowers and other types of small engine equipment

6072 - Adult Operations Poster: Listing procedures for winter storage, spark plug maintenance or other procedures from owner's manual

6073 - Adult Rebuilt or Repaired Engine: Engine must be on display.

- a. Must include engine type, model, serial number and whether 2 or 4 cycle engine.
- b. List what was wrong and what was done.
- c. List parts' prices and total amount spent on engine.

6074 - Adult Engine Cut-away: Display a cut-away of an engine showing internal parts.

254: UNMANNED AERIAL SYSTEMS

Purpose: The 4-H unmanned aerial systems or UAS project explores the world from above the trees and discovers new frontiers with UASs. Members explore the uses and applications of unmanned aerial systems including how UASs link to other projects such as geology, robotics, electronics, crop science and many more.

1. The information that accompanies the UAS must be limited to the 4-H STEM Exhibit Information Form which is affixed to a 10" x 13" envelope. This envelope should NOT be attached to the UAS. This may be downloaded from www.STEM4KS.com.
2. Exhibitor's name, county or district, age, and years(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
3. **Unmanned Aerial Systems that include or depict weaponry of any kind will be disqualified.**
4. Exhibitors are encouraged to laminate all posters and maps or cover them with clear plastic film.
5. Project notebooks must be organized in a 3-ring binder.
6. Educational displays should be creative and showcase something specific you have learned in the astronomy project during the current year. Follow copyright laws, as explained in General Information as you are preparing your exhibit. Site your sources of scientific information on your exhibit, when appropriate.

VISUAL ARTS

258: Visual Arts

CRAFTS & FINE ARTS

1. Read General Information.
2. All exhibits must have been made since fair time last year.
3. Each exhibitor may exhibit unlimited items in each class.
4. All articles exhibited must have been made by the party in whose name the entry is made.
5. Ribbons will be awarded in Purple, Blue, Red, and White with 1st and 2nd in each age group.
6. **Copyright** - *Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does not make the design original. If you create a replica of what you see somewhere else (i.e. Pinterest), it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit.

259: WOODWORKING

SPECIAL RULES

1. Review General Information.
2. Each exhibitor may exhibit 2 articles per class. Designate on entry if article is original or kit construction.
3. **THE PLAN FROM WHICH IT WAS CONSTRUCTED MUST BE WITH THE ARTICLE EXHIBITED.** The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. In addition, include a list and cost of materials, plus amount of time spent on constructing and finishing the article. This list should include all wood, hardware, finishing supplies, etc. Any project that has glass that is not secured (glass shelves, glass top of a coffee table, etc.) should be brought to the fair without the glass. Glass that is secured in the project (glass front of a gun case or cabinet, etc.) is permissible since it cannot be removed from the project.
4. Any project with missing or insufficient plans will be lowered on ribbon placing (i.e. a blue ribbon project will receive a red ribbon, etc.)
5. Exhibits must be the result of work from the current year.
6. In judging woodworking articles, consideration will be given to usefulness, design, workmanship, choice of wood, suitability, quality of finish, constructed according to plans, and difficulty of project in accordance to experience.

Class

- 3405 - Youth Woodwork article for farm or shop use.** Articles not usually requiring a fine finish other than protection in some cases. Also articles which are functional equipment and most cases non- decorative. Example: Work and shop benches, tool holders and boxes, special shop tools and equipment, feeders and water containers, livestock equipment, poultry and rabbit houses, blocking stand, salt holders, ladders, vices and sawhorses.
- 3406 - Youth Lawn Furniture.** Used mainly outdoors, except farm and shop equipment. Furniture is decorative in nature. Ex: Lawn tables, chair and benches, lawn ornaments and figurines, trellises and plant supports, fences, screens, gates, mail boxes, markers and signs, planter boxes.
- 3407 - Youth Household Furniture.** Used mainly in doors, of a finer quality and finish. They can be decorative as well as functional. Usually does not include a piece of strictly working equipment such as a rough laundry tub stand, etc. Example: Book cases and book ends, picture frames and mirrors, sewing boxes, display cases, tables, benches, chairs, stools, chest, beds, lamps, gun racks, hall trees.
- 3408 - Youth Other woodwork articles -** Indoor articles for example: household equipment, knife racks, bread boards, door stops, etc.
